Book Review: *What I Mean When I Say I'm Autistic* by Annie Kotowicz
Dec 16, 2022
What I Mean When I Say I'm Autistic: Unpuzzling a Life on the Autism Spectrum is part memoir, part survival guide, and all relatable. This brand new book by well-known autistic author and advocate, Annie Kotowicz, better known by the name of her social media presence, "Neurobeautiful," is in my view one of the very best examples of autistic representation yet published.
